Additional space for extra car on the driveway (meaning that 2 cars can park on the plot)•Extra doors in each bedroom to gain access to the garden/pool area•In the bedrooms : Extra led lights by the windows and reading lights beside the beds•Heated mirrors in bathrooms and toilet Furniture and appliances to the highest standards, with aprox cost of 50.000€. •Washing machine, dryer machine, dishwasher, oven, microwave and induction hob from Bosch (A)•Fridge and separate freezer from Liebherr (A)•All light fixtures from Faro•Fully furnished. High-end furniture from Colombini, Besform, Ethnicraft, etc.The beauty of the surrounding nature can be peacefully enjoyed from the spacious, sunny, south facing garden and terraces .Thanks to the large glass windows and doors, the views can also be enjoyed throughout the property. In addition, the landscaped garden can be accessed from various rooms. Living here really creates an open, fresh, and energetic environment, guaranteed to keep you balanced. Standing in your garden gives you a mountain-top sensation, while your villa still provides complete privacy. The homes have been built with nature in mind. The partial natural stone walls give it a distinctive and warm character and helps them blend in with the mountainous area behind. Even the roofs have been designed in such a way that no matter where you're looking from, the development looks green. Indigenous plants are placed on the roofs to provide endless greenery. Furthermore, these plants will not only provide a pleasant aroma, but they
