

Land til salgs i Cuevas de San Marcos, Málaga

29.000€

This plot sits centrally located in the popular town of Cuevas San Marcos which offers all the local amenities including plenty of shops, bars and restaurants and great access out to the beautiful lake Iznajar which is just a short drive. The town also benefits from a wonderful municipal swimming pool and grounds for those summer months. This plot does have a provisional project for a three storey construction of a family home which can be amended according to your ideas for your dream home in Spain.
