

3 soverom Leilighet til salgs i Denia, Alicante

239.000€

We present to you this attractive apartment located in one of the most central and convenient areas of Dénia. Perfect for those looking for comfort, location, and functionality in their daily life. The property has direct access from the elevator both from the main entrance and from the garage, making it accessible for everyone, regardless of mobility. The property, which is very bright, has three bedrooms: two of medium size, the master is ensuite and with air conditioning, and a third more compact, ideal as a home office or children's room. Additionally, it also has another family bathroom. The kitchen is independent and fully equipped with everything necessary, with good storage space. The spacious living-dining room becomes the centre of the home, comfortable and also has air conditioning. From here, you access a small terrace where you can relax or enjoy fresh air at any time of the day.
