

4 soverom Villa til salgs i Sax, Alicante

239.995€

We are proud to offer for sale, this lovely 4 bed, 2 bath villa for sale, close to the town of Sax. Sitting on a plot of just over 14,000m², there is plenty of space to fit a below ground pool here if you wish.

The land is fenced in, and with tarmac access, you don't need a 4x4. The land looks over the town of Sax and has great views of the castle. A lovely glass of wine can be enjoyed of an evening with theses lovely views, this would make a great location for a pool. There are also some outbuildings, making good storage.

As you enter the main house, you are greeted with the master en-suite on the left hand side. The bathroom here would benefit from some finishing or a refit to make a more luxurious room.

The main door also leads to the living room, with the kitchen to the side of the dining room area. There is a family bathroom to the side, and the remaining three bedrooms are on a corridor, all being a good size.

Although the house would benefit from a little extra finishing, it's a solid house, very liveable and in a great location.
