3 soverom Leilighet til salgs i Istan, Málaga

230.000€

Welcome to this charming top-floor apartment in the heart of Istán – a peaceful Spanish village just 20 minutes from Marbella and Puerto Banús.

Istán offers the best of both worlds: a quiet lifestyle surrounded by nature, and quick access to the buzz of the coast. Known for its beautiful hiking trails and mountain views, the village has everything you need – restaurants, cafés, a local gym, sports facilities, and even a large public pool. It's a place where life moves at a slower pace, without feeling isolated.

The apartment itself is in excellent condition and has been thoughtfully renovated to combine modern comfort with a warm, homely feel. It offers three bedrooms, one full bathroom, and a guest toilet. The layout is practical and bright, with both the living room and kitchen opening up to two separate balconies facing west – perfect for afternoon sun and fresh air.

One of the great features of this home is the large rooftop terrace shared by the building's residents. It's a quiet space with stunning views over the mountains and surrounding nature – ideal for relaxing, sunbathing, or enjoying an evening drink with a view.

The property also includes a separate storage and laundry room and is located on the widest street in the village, making it easy to reach by car – which is rare in traditional Andalusian villages.

Extras like electric blinds in all bedrooms, mosquito nets on every window, air conditioning, and an American-style fridge-freezer make everyday life even more convenient. The apartment is sold fully furnished and move-in ready.
