Ground Floor Apartment in Phase 4 of Mar de Pulpí!

Grupo Platinum Estates presents this ground floor apartment located just a short walk from the beach in the Mar de Pulpí residential complex, Phase 4 Las Azucenas . Call now to arrange a viewing at +34 950 46 61 12!

We present to you this property with a spacious garden, located in a quiet area of the development. It features 1 bedroom with a built-in wardrobe and 1 bathroom. The open-plan design connects the spacious living room with a fully fitted designer kitchen, and it also has access to a practical utility room that makes everyday life easier.

It also boasts a large garden with direct access to the communal areas, perfect for walking straight to the pool, for example.

The kitchen comes fully furnished and includes plenty of storage, along with the appliances that are included in the sale (ceramic hob, oven, fridge-freezer, dishwasher), as well as an independent utility room with a washing machine and lots of additional storage space.

The living room features a dining area and a spacious lounge area, with sliding doors that open onto a large terrace with dining space and a 34 m² garden. From the garden, you have direct access to the swimming pool.

The property also includes a numbered outdoor parking space within the development. In addition, there are several extra surface parking areas available around the complex.
