647.000€

Discover this wonderfully spacious detached villa available for sale in Ciudad Quesada.

Constructed in 2005, this villa is an extended version of the popular Luz model established by the founder of Quesada, Justo Quesada.

The current owners chose a double plot, offering stunning views of the golf course and the neighbouring mountains—certainly a property that impresses!

Set on a generous 1000sqm plot, the villa features two driveways, one equipped with automatic gates. A sizeable heated swimming pool, measuring 12m x 5m, ensures comfort during colder months.

There is an abundance of sunbathing areas, along with several patios and terraces that provide plenty of outdoor living space.

External stairs lead you to the main house, where a spacious sun terrace awaits. With views overlooking the pool and gardens, this sun terrace is an ideal retreat to relax and unwind.

Connected to this area is a covered, glazed sun terrace that cleverly doubles as an additional seating area.

Upon entering the villa, the ample living space truly becomes apparent. A large lounge-diner flows into a fully-equipped kitchen alongside a handy utility room.
