

6 soverom Villa til salgs i La Gaspara, Málaga

995.000€

This spacious 6-bedroom villa is located in the peaceful residential neighbourhood of La Gaspara in Estepona, just a few minutes from the beach and the town centre. Set on a generous plot with a lush, mature garden, the property enjoys beautiful mountain views and partial sea views from the upper floor, offering a wonderful sense of space and privacy.

Originally built in 1985, the villa retains plenty of traditional Andalusian charm, with classic tiled interiors, a cosy fireplace, and an inviting outdoor BBQ area that's perfect for entertaining. The layout includes six bedrooms, three bathrooms, and a guest toilet, providing ample space for a large family or guests. On the lower level, there is a self-contained apartment with its own entrance — ideal for extended family, visiting friends, or as a potential rental opportunity.

While the villa is structurally solid, it would benefit from a renovation, giving new owners the perfect opportunity to update and personalise the home to suit their taste and lifestyle. Whether you're looking for a full-time residence, a holiday home, or an investment project, this property offers excellent potential in a location that continues to grow in popularity.

With its generous size, versatile layout, and panoramic views of the mountains and Mediterranean, this is a rare chance to create your dream home in one of Estepona's most tranquil and well-connected areas
