264.900€

In the heart of a charming coastal town in the Murcia region, a new development of flats is emerging, a synonym for quality and contemporary living. This development, scheduled for 2025, features 59 spacious flats ranging from 86 to 140 m², with a choice of two or three bedrooms and two bathrooms, promising comfort and an intelligent distribution of space. Residents will benefit from private underground parking and will be able to delight in a communal area with a dazzling swimming pool. Solariums in the penthouse units offer panoramic views, while storage rooms provide practical storage solutions. Close to idyllic beaches and golf courses, each flat is designed with fitted wardrobes, fully equipped bathrooms and kitchens, and high quality finishes. Options such as air conditioning ready add a touch of personalisation, all within a secure environment with play and recreation areas, for pleasant living by the sea.

OUTDOOR AREAThe façade of this development reflects a sleek modern design, with clean lines and a neutral colour scheme that blends harmoniously into the coastal landscape. Residents will enjoy generous balconies and terraces, offering personal spaces to soak up the panoramic views and sea breezes. At the heart of the complex is a communal swimming pool, surrounded by a solarium and green areas, creating a sanctuary for leisure and relaxation. The inclusion of a children's playground indicates a family-friendly environment, while the proximity to the beach and golf courses underlines an active, outdoor lifestyle. This development is a perfect balance between architecture and nature, designed to enjoy the essence of the Mediterranean.

INDOOR AREAThe interior of these flats is designed to provide maximum comfort with a contemporary aesthetic. Upon entering, one finds spacious and bright spaces thanks to the large windows that allow natural light to flood every corner. The stylish and practical bedrooms feature built-in wardrobes that offer smart storage solutions. The kitchens come fully equipped, fusing functionality with modern design, while the bathrooms feature high quality finishes, providing an environment of well-being and sophistication. Every detail is designed for a modern, uncomplicated lifestyle, offering a home that is both a welcoming and luxurious retreat.
