925.000€

The second phase of these wonderful suites are the next level of luxury flats located in the Limonero community of Las Colinas Golf surrounded by forest and with stunning views of the golf course. This project offers a combination of very modern and contemporary Mediterranean architecture and are the hybrid concept of a flat and a villa. **OUTDOOR AREAS** This development offers 16 luxury flats. All flats have access to a communal swimming pool, as well as a fitness room to exercise to your heart's content. **INDOOR AREAS** 3 and 2 bedroom versions, built to the highest standards, where the ground floor flats and penthouses have their own private swimming pools. Not forgetting that the middle floor flats are prepared to have a jacuzzi installed.
