

3 soverom Leilighet til salgs i Pilar de la Horadada, Alicante

320.000€

These modern bungalows are just 2km from the beach and built with high quality materials and contemporary finishes. Available with two or three bedrooms, they include features such as aluminium carpentry, double glazing, and an athermal system for energy efficiency. Ground floor homes have private gardens, while top floor properties offer private solariums. Interiors are bright and functional, with fitted wardrobes, fully equipped bathrooms, and pre-installation for ducted air conditioning. Each home combines comfort and practicality in a modern coastal setting.
