

1 soverom Leilighet til salgs i Torrevieja, Alicante

87.000€

Very cosy west facing top floor bungalow with solarium, next to the natural park in El Chaparral, so very quiet, but close to all amenities and only 200 m to the bus stop from where the bus brings you to all parts of Torrevieja. The bungalow comes with 1 bedroom, 1 bathroom, a kitchen, an open living / dining room, a terrace and a solarium that is partly closed, so this room can be used as office or second bedroom. The bungalow will be sold furnished and equipped with airco and white goods. There is also a communal pool. A very sharp price for a property with many opportunities. ref:01-EF-1107
