

5 soverom Rekkehus til salgs i Alcaudete, Jaén

36.000€

These two properties are next door to each other and connected at the moment via the rear patio. Situated in the middle of the historic town of Alcaudete in the province of Jaen, Andalucia, Spain. The older house number 31 has two rooms on the ground floor two on the first floor and two attic rooms on the top floor. It has a small patio at the rear with a storage room or vestibule at the back which gives access to number 33. Number 33 has a fitted kitchen with a bathroom opposite and a lounge diner on the ground floor and front door parlour with stairs to the first floor. On the first floor are two rooms one of which opens out on to the terrace. On the top floor are two more attic rooms.
