The town of Martos is located on a western peak of the Sierra Jabalcuz mountain range. It belongs to the metropolitan Area of Jaén, which is considered to be the second most important city after the capital. Martos is considered to be the greatest producer of olive oil in Spain and in the world. The town is situated beneath the Cerro de la Peña, topped with the ruins of the castle of the same name. This compact town spreads out over the slopes of the hill, under the Castle of La Villa and the Church of Santa María. Its privileged location offers beautiful views over a vast sea of olive trees. There is a large outdoor market held weekly near the park and several fiestas are held here throughout the year. This is the perfect town for those wishing to experience the true Spanish lifestyle.
