499.900€

COMPLETE BUILDING VERY CLOSE TO THE SEA IN TORREVIEJA.

This is an excellent property with a lot of possibilities for those who wish to invest in it.

It consists of a complete building in a central area of Torrevieja, within walking distance of the sea, shopping and leisure areas and all the possibilities offered by a large coastal city both in summer with tourists and international residents, and in winter for local residents.

The property is divided into:

Ground floor with entrance hallway to stairs leading to the whole building and large open plan garage for several vehicles, a bathroom and a storage room, all with exterior windows and natural light.

On the mezzanine floor is the house n° 1, with 4 bedrooms, two bathrooms, living-dining room, independent kitchen, interior patio and laundry room.

On the first floor is the house n° 2, with another 4 bedrooms, two bathrooms, living-dining room, independent kitchen, patio-laundry room and large balcony.

On the third floor there is a terrace-solarium that occupies the entire roof of the building itself.

The property despite having been built a few years ago, has good qualities and is in perfect condition, taking it as a basis, update it and get to make luxury homes for private use or make them profitable by converting them into tourist homes and get a return on them.
