EVOQUE – Modern living in Fuengirola with panoramic views.

EVOQUE is an exclusive residence in the Higuerón area, just minutes from Fuengirola and the beaches of the Costa del Sol. The project has more than 200 modern apartments, designed to make the most of the Mediterranean light and sea view location.

The homes are spacious, with bright interiors and generous terraces that seamlessly connect indoor and outdoor living. Large windows and an open layout provide a sense of freedom and tranquility. Penthouses and ground-floor homes offer additional luxuries, including the option of a private Jacuzzi.

EVOQUE offers a full range of facilities that contribute to a comfortable lifestyle. Residents can enjoy swimming pools, a wellness center with gym, sauna and hammam, and a stylish gourmet lounge for meeting and relaxation. All apartments have underground parking with charging stations and private storage.

Thanks to its strategic location, you benefit from the perfect balance between tranquility, nature and accessibility. Within minutes you can reach beaches, restaurants, stores and the freeway towards Málaga and Marbella.

EVOQUE stands for contemporary living on the Costa del Sol, where quality, comfort and views are central.
