Welcome to this new complex, your sun-kissed haven in Estepona's sought-after New Golden Mile—known for sunny skies, golden sands and crystal-clear waters. Limited to just 25 stunning apartments, you get more than just sea views and access to Southern Spain's most marvellous beaches: you get an exclusive community of like-minded neighbours coupled with the rarefied delight of privacy. Designed by Schiemann Weyers Architects (Rotterdam) and OCWA Architects (Marbella), the complex guarantees both quality and sophistication. All apartments face south to maximise sun exposure—perfect for warmth in Estepona's mild winters and natural lighting year-round. Outside, the coast awaits with its famous perks, from prized beaches and marinas to world-renowned golf and equestrian clubs. In the private spa, you can soak in the jacuzzi, sweat your cares away in the sauna, and enjoy a meditative moment in the experience shower.
