

1 soverom Leilighet til salgs i Istan, Málaga

151.000€

This lovely development consists of a total of 22 dwellings of various types, including 1- and 2-bedroom properties distributed in three blocks. Most properties have a parking space and storage room. The different property types and sizes allow you to choose the option that best suits your needs and lifestyle. Furthermore, the properties are distributed mainly towards the southeast and southwest, making the most of the natural light and offering bright and welcoming environments. All of them have stunning views of the sea and the Embalse de la Concepción reservoir. Every element and detail has been chosen with precision to make this house your future home. It is located in the Cerros del Lago residential development, in the beautiful village of Istán, in the province of Malaga. This charming town is a true oasis of tranquillity on the Costa del Sol, located just 10 minutes' drive from Puerto Banús, one of the region's most exclusive destinations. Istá
