The interior of the house is divided into different rooms. It has two separate living rooms, allowing for different uses and atmospheres within the home. The kitchen is spacious and comes fully equipped with everything you need. The bedrooms are very spacious and, together with the two full bathrooms, complete the sleeping area. The villa is furnished, which is an added bonus for those looking to move in without having to make a large initial investment.

Outside, the property offers several large terraces that allow you to enjoy different outdoor areas. The private swimming pool is ideal for making the most of summer days. It also has a garage and separate storage room, providing additional storage and functionality. The extensive 150,000 m² plot offers multiple possibilities for use, making it one of the most attractive features of this property.

The location of this villa adds significant value, as it is only a 5minute drive from San Juan de los Terreros and Pulpí, where services, shops, and points of interest are concentrated.
