Lo Pagan is located in the north of the Costa Calida and is a district of San Pedro del Pinatar. A favourite place for many people and for good reason. With a good microclimate and a high salt content (the salt is extracted just outside Lo Pagán), it is one of the healthiest areas in the world. Lo Pagán is known for its therapeutic mud baths in the warm waters of the Mar Menor. Here you can cover your body with mud from one of the salt lakes. Due to the presence of calcium, salt, iodine and magnesium, it has medicinal properties. A thin strip of land (La Manga) separates the Mar Menor from the Mediterranean Sea. Through Lo Pagán, it can be enjoyed on foot or by bicycle. Murcia/Corvera airport is 30 minutes away and Alicante airport is an hour's drive away. #ref:HS_5
