Stylish and ready-to-move-in apartment in a prime location in Jávea

Looking for a luxurious and ready-to-move-in apartment in a central location in Jávea? This beautifully finished ground floor apartment is located right between the charming old village and the lively harbour – an ideal base from which to discover everything Jávea has to offer.

The property has two spacious bedrooms, one with an en-suite bathroom, a walk-in closet and luxurious finishes. The second bedroom has built-in wardrobes and its own separate bathroom. The open-plan kitchen is fully equipped and flows seamlessly into a bright and attractively decorated living room. From here, you can step straight onto the spacious terrace, which is fitted with low-maintenance artificial grass – a wonderful place to relax or have a drink with friends.

The modern complex is surrounded by tropical plants and offers access to a beautiful communal swimming pool. You also have access to a private parking space in the underground garage (with preparation for an electric car charging point) and your own storage room.

Shops, supermarkets, restaurants and other amenities are all within walking distance.
