Discover Your Coastal Retreat at Los Ángeles 4 Welcome to Los Ángeles 4, a new construction project designed with one main goal: to connect people with nature. This development embraces biophilic design, perfectly integrating outdoor living with indoor comfort, making your home a sanctuary where you can feel happy and at peace. Located in the authentic and vibrant neighborhood of Cabañal, Los Ángeles 4 offers a sustainable lifestyle just steps away from the sea. Cabañal is famous for its colorful houses, tiled facades, and unique architecture, creating a charming and relaxed atmosphere that feels worlds away from the hustle and bustle of the city, yet is perfectly integrated with its growth. The Perfect Penthouse for a Modern Lifestyle This stunning 90 m² penthouse has been carefully designed to maximize light and space. The duplex layout ensures privacy and comfort, making it the perfect home for a couple or a small family. Upon entering, the main floor features a bright open-plan living-dining area flooded with natural light. The space flows into a modern and functional kitchen, ideal for both everyday meals and entertaining guests. The upper floor is dedicated to private bedrooms, featuring two spacious rooms and two full bathrooms. The layout provides maximum privacy, with the master bedroom having its own ensuite bathroom. From this floor, you can access your magnificent private terrace, a spacious outdoor oasis perfect for hosting family gatherings, dining al fresco, or simply relaxing with a book. A Home Designed for You The thoughtful design, prime location, and sustainable features make Los Ángeles 4 an exceptional housing opportunity. Don't miss the chance to own a home that offers the best of coastal living in Valencia. Key delivery date: second quarter of 2027 Don't let this opportunity pass you by!
