Exclusive Sustainable Residences in El Higuero, Costa del Sol

Modern Living with Mediterranean Views

Located in one of the most prestigious areas of the Costa del Sol, this new residential development in El Higuero enjoys a privileged south-southwest orientation with open views of the Mediterranean Sea. Just 900 m from the beach and minutes from Benalmádena, Fuengirola and Mijas Pueblo, it offers the perfect setting for a relaxed yet connected lifestyle.

Innovative Architecture Inspired by Nature

The design of this project is inspired by organic shapes, blending steel, stone and wood into fluid volumes reminiscent of a seashell, the emblem of the development. Surrounded by landscaped green areas, panoramic sea views and the facilities of Higuero Resort, this residential community represents the perfect balance of innovation, sustainability and well-being.

Our apartments are distinguished by their ingenious sliding wall that connects the master bedroom to the living room. This clever design not only maximises the Costa del Sol sunshine in both rooms, but also allows you to admire the splendid views from every corner of your home.
