

3 soverom Rekkehus til salgs i Isla Redonda, Sevilla

125.000€

This lovely 4 bedroom detached property on a generous 407m² plot is located in the village of Isla Redonda, in the province of Sevilla, in Andalucia, Spain, and which offers a good infrastructure including local school, doctors surgery, pharmacy, fabulous municipal pool and gardens which can be used all through the summer months and community centre. The property looks out over the surrounding countryside with beautiful pink blossom almond trees for as far as the eye can see. The detached house has a gated entrance that opens to a private garden at the front of the property and a driveway for off road parking that runs down the side of the house and to a gate that opens to a private patio area which is partially covered as a wood store/carport. Inside the property is bright and spacious, the ground floor has a main central entrance which leads to a lounge on the left and a separate dining room and on the right is a second sitting area which is open to the very spacious kitchen with plenty of storage and a lovely open fireplace. The kitchen gives access to a separate utility room and a full ground floor shower room. Up on the first floor a large landing is set out perfectly for you to sit, relax and read and continues to a full family bathroom a spacious double bedroom that looks out to the rear of the property and 2 stunning double bedrooms to the front with French doors that allow those stunning views to come inside. This really is a lovely property with air conditioning throughout and being offered furnished, more importantly this is an ideal location for exploring Andalucia with just a short 15 minute drive to train station which gives great access to Malaga and Seville, must be seen to be appreciated.
