

2 soverom Leilighet til salgs i Manilva, Málaga

379.500€

Introducing Horizon Views - a new project of 38 apartments and penthouses situated in Los Hidalgos, Manilva. There is a choice of property type ranging from ground floor apartments which boast a private garden, to penthouses offering a stunning sun terrace and private pool! All the properties offer privileged views of the sea.

The interior of these new homes is modern and functional, with an open plan kitchen/living area creating a spacious feel. The large windows offer not only a great view but flood the homes with natural light.

All the properties have an underground parking space with pre-installed electric charger, as well as a storage room with separate access from your home.

The outdoor common areas, including the generously sized swimming pool, are extensively decorated with native plants and flowers.
