

Land til salgs i Bobadilla de Alcaudete, Jaén

28.000€

A fantastic plot of land in Bobadilla, Jaen, Andalucia available for new construction. The plot is a polygon shape and is located on the edge of the village while still being within walking distance to the center. Bobadilla is a friendly Andalusian village surrounded by olive groves and rolling hills, it is just a short drive to the historic town of Alcaudete or the larger town of Martos. The area is known for its relaxed lifestyle, traditional charm, and welcoming community. This plot is ideal for building your dream home with access from two streets leaving plenty of scope to design your dream property.
