Contemporary Villa with Panoramic Sea Views in La Fustera, Benissa Costa

This exclusive new-build villa, designed by a renowned architect and developed by a local developer with more than 20 years experience, sits on an 800 m² plot just a few steps from La Fustera Beach

Blending Mediterranean warmth with contemporary elegance, the architecture combines natural stone, wood, and soft neutral tones, integrating seamlessly with the coastal landscape

With a total built area of 716 m² distributed over three levels - basement, ground floor, and first floor - the villa offers a perfect balance between functionality, design, and comfort

Basement Level

The lower floor of 10597 m² is designed for both practicality and leisure. It includes a fully equipped gym, laundry room, and technical areas, with the option to adapt additional spaces as a wine cellar, cinema, or multipurpose room. This level also houses the pool's filtration system and water tanks, ensuring efficient management of all technical installations.

Ground Floor

The main level, with 13793 m², unfolds in a bright open-plan layout that captures the essence of Mediterranean living. The spacious living room, dining area, and kitchen open through large floor-to-ceiling windows onto the main terrace and infinity pool, framing incredible panoramic sea views that define the character of this home.

Two double bedrooms, a full bathroom, and a guest toilet complete this floor, providing comfort and functionality.
