249.950€

We are pleased to offer this rare first floor penthouse located on Roda Golf Resort which is the closest golf resort to the sea and the town of Los Alcazares and the sandy beaches of the Mar Menor Sea. There is an open plan kitchen diner lounge with patio doors to the terrace that has a south westerly orientation and views of the pool, there are proper stairs that lead to the roof solarium which is enormous and is where outside living can be enjoyed to the full. Two double bedrooms with fitted wardrobes. The master bedroom has an ensuite and there is a further family bathroom and an added bonus is both bathrooms have windows. The property is unfurnished so you can put your own stamp on it but it does come with white goods, vented ac, gas central heating, a store room in underground parking and your own parking space.
