

5 soverom Leilighet til salgs i Torrevieja, Alicante

174.000€

This fully renovated hostel offers a strong investment opportunity. The building includes five rooms, each with a private balcony, and three shared bathrooms. All installations, furniture, doors and windows have been replaced, and every room is equipped with a refrigerator, built-in wardrobe, table, chair and a new bed with a quality mattress. The hostel is currently rented out and generates an income of approximately 1,900 euros per month. All tenants have valid contracts and security deposits, ensuring legal security and stable returns. The property is ready to continue operating without the need for further investment.
