

8 soverom Villa til salgs i Torrevieja, Alicante

729.950€

This impressive detached rural finca is set in the countryside of Torrevieja just outside Los Balcones. It boasts a huge plot size of 10,000 m² and the house is comprised of 8 bedrooms and 4 bathrooms in total with a build area of around 480 m². The finca has electronic entry gates, a private swimming pool with a size of 110 m², a separate jacuzzi, a bar with large terrace, a conservatory, three garages and an underground water well. It also has mains water and electric already connected. You can enjoy views of the local countryside, mountains, salt lakes and Torrevieja in the distance. The property itself is split into two separate accommodations and would be perfect for a large family. It also has the potential to become a B&B or guesthouse. The location of the finca is ideal because it benefits from quiet, peaceful surroundings whilst also being close to many amenities with the coast being around a 5 minute drive away. If you would like any further information or details about this property, please get in contact with us. Viewings are highly recommended to truly appreciate this wonderful unique villa.
