Two-bedroom flat with great potential and excellent layout This 80 m² flat is offered for sale, a property with ample possibilities for partial renovation, ideal for those who wish to personalise their home according to their tastes and needs. Thanks to its balanced and functional layout, the property is an excellent option both as a primary residence and as a real estate investment. The property has two good-sized bedrooms, one of which has an en-suite bathroom, providing extra privacy and comfort. It also has a second full bathroom, perfectly laid out to serve the rest of the property and visitors. The kitchen is separate, offering a distinct space that allows for multiple renovation and updating options, with the potential to create a modern and practical environment. The rest of the property has spacious and well-proportioned rooms, facilitating efficient and versatile refurbishment. With a surface area of 80 m², this flat stands out for its ability to adapt to different lifestyles, allowing for maximum comfort and functionality after a partial update. Overall, this is a property with great potential, ideal for those looking for a spacious property with a good layout and the possibility of increasing its value through a bespoke refurbishment.
