A lovely 2 storey 3 bedroom town house on the edge of the village Las Vertientes, (Granada province), bordering Almeria, close to the larger towns of Chirivel and Cullar. -----

The house is located in a beautiful small Spanish village with a doctors, convenience store and bakery. -----

The house needs some TLC and a bit of reforming, but with a small amount of work could be transformed into a beautiful home. It has so much to offer and lots of possibilities. All mains services connected.
