

3 soverom Herregård til salgs i Alora, Málaga

229.000€

Beautiful country house with AFO approved. It has three bedrooms, very large kitchen, bathroom and large living room. Outside it has a porch with spectacular views. The farm has mainly olive trees that give an annual production of about € 20,000. It is located just 12 minutes from the town. The place is very quiet and the access lane from the road is asphalted. It has electricity connection and water from the village. A good opportunity to acquire a good property in a typical Andalusian village, either as a habitual residence, for special occasions or as a tourist investment. ref:APN7304
