

7 soverom Grottehuset til salgs i Guadix, Granada

90.000€

A large plot with 3 caves in need of different amounts of reform with a large plot of land at the front situated in the countryside just about a 5 min drive from the town of Guadix Granada. The 3 caves reformed would make a great rental opportunity or even living and rental.-----

There would be 6/7 bedrooms in total each cave would have a kitchen, bathroom, living room and their own outside space with lots of room for parking.
