A Rare Slice of Hidden Spain

Tucked away in the heart of inland Alicante's wine country, La Bodega Antigua is more than just a home—it's a living piece of Spanish history. Originally built in 1625, this former working winery has been lovingly restored, preserving its authentic stone architecture while offering every modern comfort.

Technically located in Yecla (Murcia)—just over the provincial border—this charming estate benefits from Murcia's simpler process for obtaining a tourist license, making it an ideal opportunity for a boutique B&B, retreat, or rural rental business. The closest town is Pinoso, just 7 km away, offering restaurants, shops, and a friendly international community.
