Yecla is a beautiful large town with a population of around 35,000 people and has every amenity you would ever need including supermarkets, shops, bars, restaurants, hospital, etc.

It is a town with a singular spirit, due mainly to its enclave situation, and is the living image of 'Castilian' Murcia, the area of transition between the coastal zone and the plains of La Mancha. Preceded by the fame of its inhabitants, it is naturally a town of enormous character which has impressed such writers as Azorín or Pío Baroja.
