We are delighted to present this charming and cosy retreat, ideally located in a sought-after area of Aspe. A true hidden gem, this property offers privacy, character, and beautiful outdoor living.

The main house features a spacious master bedroom, a bathroom with shower, and a bright, open lounge with French doors leading to an elevated wooden terrace with sun blinds—perfect for enjoying the Spanish climate. The kitchen opens directly onto a large glass-curtained terrace, ideal for dining while overlooking the Mediterranean-style gardens, filled with mature trees and lush planting.

For family and guests, the property includes two separate external buildings—one with a bedroom and one with a shower room—situated next to each other, providing comfort and independence. An additional external room is currently used as a studio/bedroom or storage space.

Set on a fully fenced plot of approximately 2,062 m², the property benefits from excellent asphalted access, a gated driveway with ample parking, an above-ground swimming pool, and a high level of privacy.

The villa is equipped with 8 solar panels for electricity and is also connected to the mains supply.

This is a wonderful opportunity to own a peaceful retreat in a desirable location—early viewing is highly recommended.
