

5 soverom Rekkehus til salgs i Puente Genil, Córdoba

129.000€

This spacious 380m² build 5 bedroom, 2 bathroom, property is located near the center of the famous town of Puente Genil, in the province of Cordoba, in Andalusia, Spain. In Puente Genil you can find all kinds of establishments and services you may need, shops, supermarkets, shopping centers, bars, good restaurants, doctors, hospital and the high-speed train link. This townhouse at the entrance is a hall that leads to a bedroom that is used as a living room, the patio and the dining room, which when crossing it we access the kitchen, from the kitchen we find a corridor that leads to another living room with exit to the patio, a ground floor bedroom, a bathroom and that large patio where there is a lemon tree, also the patio is accessed from the attic located on the first floor. On the first floor there is the master bedroom with views of the street, a further two bedrooms, another bathroom and a large attic through which you access the patio. This is a great opportunity to acquire a large stately home with a generous town plot size of 354m² and situated close to the center of Puente Genil.
