Bright Penthouse with Panoramic Sea Views | Los Pacos

Located in the sought-after residential area of Los Pacos, this charming penthouse enjoys beautiful panoramic views over the town and the Mediterranean Sea.

Situated on the third floor with elevator access, the apartment forms part of a quiet and well-maintained community featuring two swimming pools and an underground parking space.

The property is exceptionally bright, thanks to well-positioned skylights that flood the interior with natural light, creating a warm and welcoming atmosphere throughout. Both bedrooms offer fitted wardrobes, and the apartment benefits from multiple storage areas, ensuring practical and comfortable living.

Outside, a spacious southeast-facing terrace provides sunshine for most of the day and offers open views towards the coastline — the perfect space to relax or entertain.

The centre of Los Pacos is just a 15-minute walk away, and with a bus stop directly in front of the building, access to Fuengirola town centre and the beach is quick and convenient.
