

2 soverom Leilighet til salgs i Bigastro, Alicante

69.000€

We present an attractive apartment located in the heart of Bigastro, ideal for those seeking the comfort and amenities this vibrant town offers. With a constructed area of 79 m², this apartment comprises two spacious double bedrooms, both bathed in natural light thanks to their exterior orientation. The property includes a full bathroom and requires some updating as it is in its original condition, giving the new owner the opportunity to personalize it to their liking. Its strategic location provides easy access to public transportation via nearby buses and also benefits from being surrounded by local schools, perfect for families or students. Priced at an attractive €69,000, this property won't be on the market for long. Shall we schedule a viewing?
