Villa Agata – Modern Mediterranean Masterpiece in La Quinta

Perched in the exclusive El Herrojo area, Villa Agata is a fully renovated modern Mediterranean villa offering breathtaking sea views. Set on a 1,109 m² plot, this striking home combines exceptional architecture with refined interiors by Soledad Merchant.

The main floor features a bright, open living area with floor-to-ceiling glass, seamless indoor-outdoor flow, and an elegant dining and lounge space ideal for both everyday living and entertaining. The designer kitchen is a centerpiece, boasting a large island, built-in appliances, and bespoke cabinetry, perfectly connecting to the terraces and pool.

Five luxurious bedrooms include a private upper-level primary suite with terrace access, each designed with neutral tones, custom carpentry, and thoughtful lighting. The entertainment level enhances lifestyle options with a home gym, sauna, entertainment room, and climate-controlled wine bodega.

Outdoors, beautifully landscaped gardens surround a private pool with multiple seating and dining areas, creating the ultimate space for relaxation and gatherings. Just minutes from golf courses, international schools, and Marbella's amenities, Villa Agata is a complete modern home in La Quinta.
