199.000€

Bright and well-planned apartment with balcony and green surroundings Welcome to a home where light streams in through the windows, creating a warm, inviting atmosphere. This well-proportioned 81 square meter apartment is located on the second floor of a well-maintained building with an elevator, and offers accommodation where every square meter is carefully utilized.

The home features three spacious bedrooms with space for both rest and storage, a stylish bathroom and an airy living room that leads out to a balcony – the perfect place to start the day with a cup of coffee or enjoy the evening's tranquility. Here you live in modern comfort thanks to air conditioning that provides a pleasant indoor climate all year round, and the apartment also includes a practical storage room for extra storage.

The surroundings offer green spaces and a peaceful environment, while the proximity to services, communications and the pulse of the city makes the location as convenient as it is attractive. This is a home that suits you who are looking for a harmonious everyday life with both function and feel - a home to enjoy, all year round.

Please contact us for more information or to book a viewing. We will of course conduct digital viewings if you are unable to be there in person.
