Exclusive beachfront apartment with stunning sea views Beach life and sunshine – elegant four-room apartment with sea views and a dream location

Welcome to a home where the sea becomes part of everyday life. This beautiful and airy 130 square meter apartment offers accommodation beyond the ordinary – high up on the fourth floor with elevator, in one of the area's most sought-after buildings, just steps from the beach.

As soon as you step inside, you are greeted by the light that streams in through the windows, creating a harmonious atmosphere in every room. There are four spacious bedrooms, perfect for both family and guests, and three fresh bathrooms that offer both function and comfort. The generous living room leads out to a sunny terrace in a sought-after south-facing location, where you can enjoy your morning coffee with a sea view or let dinners turn into warm evenings with the sound of the waves in the background.

The apartment is equipped with built-in wardrobes throughout, providing ample storage, and the home also includes a practical storage room – perfect for beach chairs, bicycles or winter gear. The entire home is characterized by a sense of space and light, where every detail has been carefully selected to create a comfortable and stylish living space.

Here you live in a safe and well-maintained building with an elevator, where all you have to do is take the elevator down, cross the promenade and dip your feet in the sea. In the immediate area there are charming cafes, local restaurants, small shops and everything you need for a comfortable life by the coast.
