

2 soverom Leilighet til salgs i Alacant/Alicante, Alicante

143.000€

Apartment in Alicante, Carolinas Altas area, with a surface of 89.00 m². It has 2 double bedrooms (originally it was 3; one single bedroom can be recovered), one bathroom, remodeled property, equipped kitchen, white lacquered interior carpentry, east orientation, ceramic flooring and aluminum exterior carpentry. Upon entering the apartment we find two external bedrooms with a balcony and a living room (previously there was an entrance hall and another recoverable bedroom). Then we pass through the hallway to reach the bathroom followed by the French-style kitchen area which includes another living room and dining space that is also facing outside on the opposite side of the dwelling. The home is cheerful & renovated throughout—ready for immediate occupancy. The location is privileged as it's just meters away from Boulevard del Pla where you'll find tram stops connecting us to downtown city areas including Postiguet beach or any part along our beautiful coast via tram service. By car there's excellent connectivity too allowing easy walking access into town while enjoying pleasant strolls around nearby commercial streets such as San Mateo Padre Espla Boulevard Calle Góngora Pinoso etc.. This locale features diverse restaurants neighborhood shops supermarkets plus everything else needed for comfortable living right here within magnificent district called Carolinas-El Pla! Extras: air conditioning fitted wardrobes balconies heat/cool pump heating gallery furniture armored door TV terrace buses medical centers schools hospitals parks supermarkets trams thoroughfare children's zones Community expenses: €25.
