All the woodwork is double-glazed with blinds (automatic in the master bedroom), roller mosquito nets, and a ceiling fan.

The exterior is designed for enjoyment: a summer kitchen with a barbecue, a covered space for family gatherings, three storage rooms, a solarium, and a water supply. A home designed for living and sharing: fresh, bright, and welcoming, with an energy that encourages well-being.

Located in a quiet area with excellent transport links: just 6 minutes from Alicante airport, 15 minutes from Elche and Santa Pola, and a few kilometers from the prestigious beaches of El Altet and Arenales del Sol, recognized with the Blue Flag for their ecological value. It also has easy access to the national highway and is close to all essential services.
