Bright and well-planned apartment with balcony and elevator Welcome to this bright and pleasant apartment in a popular and well-located residential area. The apartment is located on the third floor and has convenient access by elevator, while the generous light from the southeast orientation creates a warm and inviting atmosphere.

With two bedrooms, a tasteful bathroom and a living room that opens onto a balcony, the home offers a functional floor plan that makes it both practical and homely. The balcony becomes a natural place to relax – perfect for your morning coffee or to enjoy the sun for most of the day. The built-in wardrobes make everyday life easier and create extra storage options.

The area is quiet but at the same time close to everything you need in everyday life – shops, restaurants, cafes, parks and good transport links. Here you live in a home that is equally suitable for permanent residence as for holidays and rentals. The combination of location, function and comfort makes this an attractive opportunity on the Costa Blanca.
