

2 soverom Leilighet til salgs i Torrevieja, Alicante

189.900€

Tastefully renovated apartment with high quality materials Welcome to this elegantly renovated two bedroom apartment, located in the heart of Torrevieja - a city that is buzzing with life all year round. Here you live close to everything: restaurants, shops, cafes and culture, while having the beach just a short walk away.

The home is modern throughout and completely renovated with high quality materials. The bright living room leads out to a glassed-in balcony with morning sun, thanks to its eastern orientation - a perfect place for breakfast or a quiet moment with a view of the street below.

There are two spacious bedrooms, a stylish bathroom and air conditioning for a comfortable indoor climate all year round. The building also offers a communal pool, an unusual and sought-after amenity in the heart of the city.

This home is just as suitable as a permanent residence as it is for vacation - here you get comfort, design and location in perfect harmony.
