

2 soverom Leilighet til salgs i Sucina, Murcia

115.000€

This light, bright, and airy apartment in Sucina offers spacious and comfortable living in a well-maintained, centrally located building with lifts and a rooftop swimming pool. Upon entering, you are welcomed by a wide entrance hallway, ideal as a reception area, which leads into a central corridor connecting the rest of the home. To the right, you'll find the main bathroom, complete with a bathtub and shower, WC, and sink. To the left, the living room is a standout feature—generously sized with floor-to-ceiling windows on both sides, allowing natural light to flood the space throughout the day. With its southwest orientation, the room enjoys sunshine from morning through evening. The windows are fitted with railings, creating a pleasant spot to sit, relax, and soak up the light. Further along the corridor on the left is the fully fitted kitchen, offering ample space, worktops, and included appliances—ideal for both everyday living and entertaining. Next is a spacious double bedroom with built-in wardrobes, providing practical storage and comfort. At the end of the corridor is the master bedroom, a bright and airy space featuring floor-to-ceiling windows on both sides, allowing for excellent natural ventilation and light. It comfortably accommodates a double bed and creates a peaceful retreat. The building itself is clean, well cared for, it comes with fully integrated air conditioning and ideally located close to all local amenities. With both lift and stair access, as well as a rooftop swimming pool, it offers convenience and lifestyle in equal measure.
