Bungalow on the ground floor with private garden and independent entrance in a residential complex with communal pool. If you are looking for a property with charm, outdoor space and real independence, this bungalow is a very attractive opportunity. The property offers 1 bedroom, 1 bathroom and a living room with open-plan kitchen, with a comfortable and functional layout. It stands out for its natural light, creating a pleasant and spacious feeling throughout. One of its main highlights is the outdoor space: a large front garden perfect to enjoy the climate all year round, dine outside or relax, as well as a rear patio that adds extra practicality. Located in a residential complex with a communal pool, but with a key advantage over others: it has its own private independent entrance, so you don't need to access through the residential area. More comfort, more privacy and the feeling of a standalone home. An ideal option both for permanent living, holiday use or as an investment with strong demand in the area.
