

3 soverom Leilighet til salgs i New Golden Mile, Málaga

1.895.000€

This fully refurbished apartment enjoys lovely views of both the surrounding landscape and the sea. Featuring underfloor heating throughout and a beautiful terrace, it offers enhanced comfort and a seamless indoor-outdoor living experience. Its contemporary design and premium finishes create a refined and practical living space in every detail.

The apartment is enhanced by a range of luxurious features, including an open-plan designer kitchen fitted with premium German appliances, high-quality flooring, elegant contemporary furnishings, an electric fireplace, a Bang & Olufsen sound system, and bespoke built-in wardrobes.

Bahía del Velerín is an exclusive residential community ideally positioned between Marbella and Estepona. Residents enjoy a stunning pool area complete with a snack bar, beautifully maintained tropical gardens, and 24/7 security. Its exceptional location provides direct access to one of the area's most desirable beaches.
